

## Celebrating Twenty Years of Ministry

The Center for Christian Counseling is celebrating twenty years of ministry in 2017. The Center was incorporated in South Dakota in 1997 and remains a South Dakota Corporation operating in Florida as a foreign corporation under the Florida Sec'y of State.

Beginning as a local ministry in South Dakota, we have counseled individuals and families in 23 states and many foreign countries around the world including England, Belgium, Hungary, Italy, Spain, Cameroon West Africa, Haiti, Dominican Republic, Cuba, Brazil, Chili, Hong Kong, North Vietnam, and Canada.

Since the onset of ministry, the Lord has given an international vision. However, little could we have imagined twenty years ago that we could sit in the office and work with counseling needs around the world via video technology.

Additionally, pastors and church leaders have been trained in Haiti, Cuba, and Cameroon, West Africa. Center training material has been translated into three foreign languages, and we have worked with demonic issues involving homes and properties in South Dakota, Alabama, Tennessee, Georgia, and Florida. Seminars and Conferences have been conducted in nine states.

The Lord has truly blessed the ministry work and we give Him all honor and glory.
