

# Now in our Twenty-first Year of Ministry

The Center for Christian Counseling is celebrating its twenty-first year of ministry in 2018. The Center was incorporated in South Dakota in 1997 and remains a South Dakota Corporation currently operating in Georgia as a foreign corporation under the Georgia Secretary of State.

Beginning as a local ministry in South Dakota, we have counseled individuals and families in 23 states and many foreign countries around the world including England, Belgium, Hungary, Italy, Spain, Cameroon, West Africa, Haiti, Dominican Republic, Cuba, Brazil, Chili, Hong Kong, North Vietnam, and Canada.

Since the onset of ministry, the Lord has given an international vision. However, little could we have imagined twenty-one years ago that we could sit in the office and deal with counseling needs around the world via video technology.

Additionally, pastors and church leaders have been trained in Haiti, Cuba, Cameroon, West Africa and across the United States. Center training material have been translated into three foreign languages, and we have worked with demonic issues involving homes and properties in South Dakota, Alabama, Tennessee, Georgia, and Florida. Seminars and Conferences have been conducted in nine states.

The Lord has truly blessed the ministry work and we give Him all honor and glory.

Roger and Diane Boehm
