Prayer Card Enclosed

We have enclosed a ministry prayer card and we ask that you use it as a reminder to pray for the ministry work. We covet your prayers. If you would like additional copies for others or your church, please let us know via e-mail and we will be glad to supply them.

We remain Busy Since our Last Newsletter Seven Weeks Ago

In the last seven weeks we have scheduled 98 sessions with two lasting as long as six hours as we worked with a church team dealing with heavy spirit activity in one of their members. Sessions were held in 12 states from Florida to Washington state and Texas to South Dakota. Internationally we counseled an individual in Budapest, Hungary. Thanks prayer and financial partners for your continued partnership with us in continuing to make this ministry possible.

Request from a Ministry in Ballarat, Victoria, Australia

We have received a request from a ministry located in Ballarat, Victoria, Australia to add the link to our YouTube training video on Dissociative Identity Disorders as well as our Website, on their website. She wrote, "I've had a few people reach out and ask where they can get help. I'm keen for genuine Christian help to be more easily accessible for people." We are currently working to accomplish this request.

Five New Training Videos have been Completed and Will be Available for Purchase Soon

Last year our training event at Gateway Community Church, SBC in Florida was video and audio recorded. Those recordings have now been merged together into five presentations totaling approximately 6 hours of training. The presentations are:

Session 1: Demonization and the Born Again Believer.

Session 2: Dealing with Demonization.

Session 3: Satanism.

Session 4: An Inside Look at Dissociative Identity Disorder.

Session 5: Sexual Corruption of the Human Race. (The Right of Birth).

Currently they are on 5 DVD's, published on Youtube with unlisted links, and on Flash Drive. As soon as we have finalized plans they will be available for sale with all proceeds going to support the ongoing work of the Center.

Please Continue to Pray that We find a Ministry Location in the Dallas, Georgia Area

As we have stated in an earlier newsletter, a local office outside a church setting here in the Dallas, Georgia area would not be an option right now due to the costs of rent, water, electric, etc. We simply do not have enough income to warrant the extra costs.

So we ask your continued prayers as we are still looking to connect with a church in the Dallas, Georgia area that would be willing to partnership with us by allowing us to meet with local counselees and those coming in for concentrated counseling in their facility. Right now those coming from a long distance would need to fly into Birmingham, Alabama, or drive in and meet for counseling in Talladega Alabama at Bemiston Baptist Church. As you may know, for approximately the last seven years we met daily with individuals in office space provided by Gateway Community Church in Titusville, Florida.

On a Personal Note from Roger and Diane

Diane and I are doing well. We have been enjoying family visiting regularly for dinner and over weekends. We have also enjoyed visiting our youngest daughter Julie in Talladega, Alabama for a couple days last month during which I met with an individual for one on one counseling at Bemiston Baptist, the church our son-in-law pastors, and also had the opportunity to preach Sunday morning service, and teach on Sunday and Wednesday evening.

Couple weeks ago I woke up one Sunday night with pain in my left Jaw. Since Monday was a holiday I did get in to see a dentist on Tuesday morning. He said I had a tooth with a lot of decay under the crown and sent me to an oral surgeon the next day to have it extracted. After pulling the tooth the oral surgeon put a cadaver bone in place and I left.

I was told that it would be difficult to put a bridge in because the tooth next to it is an implant and he suggested another implant as I am down to 8 teeth on the top and 10 teeth on the bottom of my mouth. One molar on each side of the top. Needless to say I cannot afford an implant so I ask your prayers that somehow the Lord will provide in some way.

We are looking forward to friends from Florida coming to visit the next two weekends and the children and grandchildren living up north coming this summer to visit. Now they are only about 8 hours away compared to a two day drive when we lived in Florida.

Thank you again prayer and financial partners for without you this ministry would not be able to exist. Thanks for listening to the Lord and partnering as He leads you.
