### Last Newsletter was Seven Weeks Ago and We have been Very Busy

As can be seen from the map below between March 5th and April 20th we have worked with counselees in 14

states from New York to California; Florida to Washington State. We scheduled a total of 99 counseling sessions. Internationally we have worked with counselees in England and Hungary. Included were counselees suffering from the effects of early childhood trauma, Satanic Ritual Abuse, demonization, and marriage issues.

One pastor just sent an inquiry stating; "I am having debilitating anxiety attacks, I have had them in the past. Is there any way we can SKYPE as soon as possible."

All but one of the sessions was via SKYPE. One session was with a woman in Alabama and was held at Bemiston Baptist Church in Talladega, Alabama.

So we are moving forward and remaining busy in ministry. **Once again we are grateful to our prayer and financial partners for your faithful support of this ministry as we serve the Lord nationally and around the world.**

### Still Looking for a Ministry Location in the Dallas, Georgia Area

To date we are still looking to connect with a church in the Dallas, Georgia area that would be willing to allow us to

meet with local counselees and those coming in for concentrated counseling in their facility. There is a possibility we may need to see a counselee living in California who would be flying in for several days of concentrated counseling. Right now we would need to have then fly into Birmingham and meet with them in Talladega, Alabama.

A local office outside a church setting would not be an option right now due to the costs of rent, water, electric, etc. We simply do not have enough income to warrant the extra costs.

### Personal Notes from Roger and Diane

Diane and I are both doing well. Diane's foot is healing nicely and she is getting around without much pain. We ended up having to put a new transmission in our Ford Explorer since we plan on keeping it. The Ford is an '06 and we have tried to keep it in good condition so a new transmission is a lot cheaper than a monthly car payment.

We have been enjoying spending a lot more time with family. Our youngest daughter Julie and one of our grandchildren, Kye, were here overnight Friday. Our son Gary and his wife came over and after supper we roasted marshmallows out on the back patio. We are excited that we are now closer to the other four children and their families so that we will be able, hopefully, to see them more often too.

We are slowly getting the house set up, pictures hung,

etc, but thankfully all the furniture has been in the same spot for a month or so now, no more relocating over and over (you men know what I mean.)

As we get settled in we have had a few surprises. For instance our first water bill was \$381.00. Hum! Water leak which has been fixed with the seller paying most of that bill. Then the electric meter that had to be replaced since it was not reading usage so we are waiting for an amended electric bill to arrive showing estimated usage for the first three months. Other than that life is good.

We do want to give each of our prayer and financial partners a special "thank you" as we know full well if it were not for your faithfulness we would not be able to serve the Lord in this worldwide ministry.

God bless you all!  
Roger and Diane
