Five New Training Videos have been Completed and are Available for Purchase

Last year our seminar entitled "*Identifying, Confronting and Successfully Defeating Evil*" at Gateway Community Church, SBC in Florida was video and audio recorded. Those recordings have now been merged together into five presentations totaling approximately 6 hours of training and available on a flash drive which also includes a booklet containing the powerpoint slides and room for notes. Total cost of the set is

This training presentation is for personal use only. If the presentation will be used in a group or church setting please contact the Center prior to setting up the event for cost and additional booklets.

Special thanks to Ty Hartley for his expertise in merging the video and audio recordings

Upcoming Meeting and Tour of Women's Ministry in Atlanta Area

This coming Friday Diane and I will be meeting with the staff of a women's transitional home ministry south of Atlanta. The purpose of the meeting will be to tour the facility and discuss with their leadership how we might be of help to them in their ministry.

Please Continue to Pray with Us as we Seek a Local Office

As you know we have been looking for an office connected with a local church setting here in Dallas, Georgia where we can see local counselees a couple days week. Our national and international counseling can be done from our office at home.

We feel that we may be getting closer to that being a reality and ask your continued prayers so that we will be able to be available to meet with local counselees in face to face sessions.

On a Personal Note from Roger and Diane

Diane and I are doing well. We have been busy this summer not only with ministry work but enjoying family and friends visiting.

This summer Jim & Pam and Dave & Linda, friends in Florida, and Ken & Alisa, friends in Georgia, came to visit and stayed a couple nights with us. We also had daughter Amy and granddaughter Zoe come down from Cincinnati for a visit. Daughter Julie and family have been stopping by to visit and have spent a few nights with us in the past month. Then last weekend we visited Ken and Alisa, friends living near Augusta and spent the night with them before returning. So it has been a good summer having friends and family visiting and spending time with us.

A couple weeks ago our son-in-law Kory had foot surgery so we drove over to

Talladega, Alabama on Sunday morning to preach for him in the AM service.

Then there are the two dental implants I am needing. Unable to afford dental implants I have decided to let some dental residents practice on me. My dentist made a referral to the Dental College of Georgia at Augusta University to have the work done there in the resident clinic. It will be less expensive, I need the implants, and they need the practice. So it sounds like it could be a win win all the way around. Waiting now for them to set a time for me to go to Augusta for the procedure.

Thank you again prayer and financial partners for without you this ministry would not be able to exist. Thanks for listening to the Lord and partnering as He leads you.
